

Oakhurst Presbyterian Child Development Center

508 2nd Ave, South Charleston, W.V. 25303 (304) 746-0099

Two's Room

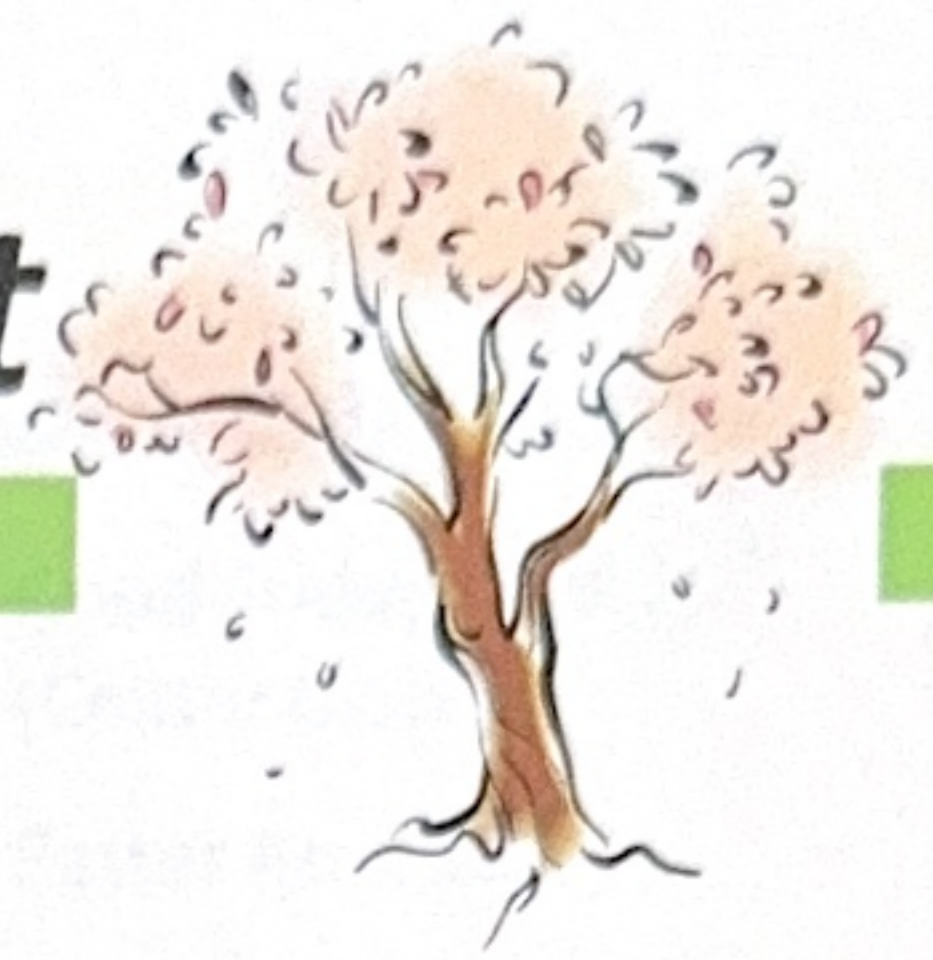

The Two's Room is enjoying learning through play and centers and play. We have been investigating science topics such as sinking vs. floating, changes in water and what we think will happen. We will broaden this science area when we plant seeds this spring.

Yoga is a daily activity we are enjoying and adding new poses weekly. This spring we will be doing yoga on our natural learning playground using mats and board games that we have received from Keys for Healthy Kids.

Oakhurst Child Development

Spring 2025

508 2nd Ave South Charleston • 304-746-0099

Spring Poem:

"What the Robin Told"

The wind
told the grasses,
And the grasses
told the trees.

The trees
told the bushes,
And the bushes
told the bees.

The bees
told the robin,
And the robin
sang out clear:

Wake up!

Wake up!

Spring is here!

Spring Song:

"Spring is Here"

(Tune: "The Farmer in the Dell")

The days of Spring are here,
Warm, sunny days are near,
Flowers and bees, and birds in
trees.

The days of spring are here.

Two's Room

The Two's Room is enjoying learning through science and play. We have been investigating science activities such as sinking vs. floating, changes in water and what we think will happen. We will broaden this science activity when we plant seeds this spring.

Yoga is a daily activity we are enjoying and adding new poses weekly. This spring we will be doing yoga on our natural learning playground using mats and board games that we have received from Keys for Healthy Kids.

Exciting News!

We are excited for some upcoming changes to our playground! In the next few months we will be adding a new reading play zone in memory of our friend and reading volunteer Amanda Fuller.

Preschool Class

The Preschool class is excited for Spring and warmer weather. This season we will be learning all about plants and how they grow. We will also be learning about bugs and insects. Our class is looking forward to outside play, and nature hikes.

Pre-K

The Pre-K class will be exploring the life cycle of ants this coming spring. The kids will be measuring the distance ants' travel, and how ants work together as a team. We will also be learning about different plants and what they need to grow

Pre-K 2

Pre-K 2 will be thinking about our planet and what we can do to keep it special. We will be learning about saving water and energy, reducing pollution, recycling, protecting our animals, trees and plants, and generally getting kids interested in protecting their environment.

Schoolers

The Schoolers will be starting spring with a blast! We will be busy with scavenger hunts, outside games and lots of fun art activities.
